Directions for Vernon Hills High School

Enter the school in the front (west side) of the building.

You will be facing east. Turn Left (north) immediately and proceed north down the hallway. **Do not** go through the hallway doors that will shortly appear slightly to your left. Continue down the hall past the video monitor and water fountains. When the first hallway on your right appears, turn right and go east down that hallway. Proceed through the doors and take the first possible left (north).

I will should be teaching in the third practice room on your left, just before entering the choir room. If not turn right (east) and proceed down that hallway and look in all the rooms in that hallway or in the band room at the end of the hall you are now in, on the left.

If you are not upstairs by the beginning of the lesson, I check my voice mail to make sure you have not called with a problem.

Please feel free to call at any time with any questions or concerns. I am looking forward to meeting you.
